Old Business:

- Pancake Breakfast at Applebees – Donna G. found out that we can book up to a year in advance for a fundraiser. Discussed making this a Spring sports fundraiser. Donna G. will book for first week in March.
- Banners – need to solicit new businesses for signs to be hung on press box. Need to get signage for "Booster Club" and LaValley's for their materials donations. Donna G. will order the LaValley's sign. Will discuss the "Booster Club" sign next meeting. Discussed wording on the LaValley's sign (supports MRU athletics since...). All information is at the company and we are waiting for prices and design. Donna G. will follow up.
- Saver Cards – Still have 69 cards not returned. Donna G. called homes and left messages to return cards. Thank you notes have been written for the vendors and Donna G. will distribute.

New Business:

- MVL Jackets - ordered 6 jackets for girls soccer. Patches will be added to existing jackets and monogramming will be done. Plan on handing jackets out on Dec. 17th.
- Winter Fundraiser - Discussed cash raffle. Decided to sell tickets for \$10 each and award cash prizes of: \$300, \$200, \$100 & 8 \$50. Will sell during basketball games and announce winners January 29th. Depending on success of program, may also sell during Feb/March with winners drawn at the end of March. Sandy G. will print tickets.
- Basketball Concession Stand – Kathy L. discussed with Peter Wallet what would be allowed into the gym. Decided to allow drinks, candy and popcorn in the gym on a trial basis. An announcement will be made by Rob Black asking for cooperation in disposing of trash. Trash cans will be placed outside both sets of doors during the game and can be wheeled inside the gym once game is over. Signs will also be made indicating what can be taken into the gym. Kathy L. will check with Ponderosa on the prices for wings. If same as last year, we will continue to sell them.
